In your Final Report, please answer the following questions:

1. Describe how your project was successful

List up to 3 important objectives of your project

Did you successfully meet those objectives and how did that occur?

2. List any problems/challenges that you encountered and how you dealt with them?

3. Please share with us any unexpected benefits that occurred in this project. What was the impact on your students?

4. What types of public presentations did your project include?

5. Did you acknowledge (and in what form(s)) the Friends of SAW Advised Funds funding in your project/program(s)?

6. How were the funds used?
